

Grupo EULEN USA Appoints Industry Veteran Ramiro Álvarez as VP of Facility Services

Miami, April 29th, 2024 - Grupo EULEN USA, global leader in comprehensive services and outsourcing to companies, proudly announces the appointment of industry veteran Ramiro Álvarez as Vice President of Facility Services for the United States. With a distinguished career spanning over two decades in the facility services industry, Ramiro brings a wealth of expertise and a passion for leadership to his new role.

As VP of Facility Services at Grupo EULEN USA, Ramiro collaborates closely with clients and organizations to identify highly effective solutions. Drawing from his extensive experience in staff mentoring, top-tier talent recruitment, and innovative problem-solving, Ramiro is uniquely positioned to lead our facility services division. His proven track record in contract negotiations, sales and marketing planning, and operational start-up implementation underscores his ability to drive organizational success.

Ramiro's expertise extends beyond traditional facility management. Throughout his career, he has held key leadership roles, including Regional Director of Operations at Harvard Maintenance, Area Vice President at The Budd Group, General Manager at ISS Facility Services, and Director of Operations at CGS.

A leader and collaborator, Ramiro is dedicated to driving operational excellence and exceeding customer expectations. His commitment to quality, innovation, and customer satisfaction has established him as a trusted advisor and strategic partner in the industry.

"I am honored to join Grupo EULEN USA and leverage my experience to elevate the company's facility services offerings across the nation," said Ramiro Álvarez. "I look forward to collaborating with the team to continue delivering exceptional value to our clients and expanding our footprint nationwide."

Grupo EULEN USA warmly welcomes Ramiro Álvarez who will sit at the Miami offices and is confident that his leadership will play a pivotal role in shaping the future of facility services within the organization.
