

Grupo EULEN USA Prioritizes Employee Health and Wellbeing at American Airlines Hydration Event

Miami, FL - May 8th, 2024 - Grupo EULEN USA, leading provider of aviation services, proudly announces its participation in an exclusive hydration event hosted by American Airlines. The event will take place inside Miami Airport on May 15, 2024, from 11:00 am to 6:30 pm.

The event aims to underscore the importance of hydration and employee safety as the summer heat approaches. Recognizing the critical need for employees to stay hydrated and prepared for rising temperatures, Grupo EULEN confirms its commitment to supporting the wellbeing of its workforce.

Approximately seven companies, including Grupo EULEN USA, will come together to provide information to an estimated 500 to 1,000 airport employees regarding the importance of hydration and summer preparedness across various functions such as ramp, cabin, grooming, GSE, fuelers, and baggage handlers.

Kaarina Rose, Vice President of Human Resources for Grupo EULEN USA, expressed her enthusiasm for the event, stating, “We are delighted to participate in this initiative with American Airlines, reinforcing our commitment to the health and wellness of our employees. Staying hydrated is essential, particularly for those working in demanding airport roles.”

As part of Grupo EULEN USA's involvement, American Airlines has provided a designated table where educational materials focusing on hydration, summer preparedness, safety product education, and financial planning tips will be distributed.

“We extend our gratitude to American Airlines for hosting this event and for the opportunity to demonstrate our dedication to our human capital, which is our most valuable asset” added Rose. “Our participation underscores the collaborative relationship between our organizations and reaffirms our commitment to providing a safe and healthy work environment.”
