

## EULEN Aviation Expands Presence at Tampa International Airport with New Partnership with Avianca Airlines

---

Tampa, FL - March 17, 2025 - EULEN Aviation is thrilled to announce a new partnership with Avianca Airlines (AV), Colombia's largest airline and a proud member of the Star Alliance. As the country's flag carrier since 1919, Avianca has continually expanded its reach across Central and South America, Europe, and the United States.

Starting March 30, 2025, Avianca will begin operating a new route from Tampa International Airport (TPA) to Bogota, Colombia (BOG), flying four times per week with the Airbus A320 narrow-body aircraft. This addition to Avianca's U.S. network will improve connectivity, offering easier travel between the two destinations.

EULEN Aviation has been awarded a prestigious three-year contract to provide comprehensive ground handling services for Avianca at TPA, including:

- Passenger Service & Baggage Acceptance (ticket counter & gate boarding)
- Wheelchair Service (WCHR)
- Ramp Services (marshalling aircraft, unloading, and loading baggage)
- Lavatory & Water Service
- Secure Cabin Cleaning Service

"We are excited to strengthen our presence at Tampa International Airport and partner with Avianca Airlines," said John Jones, Vice-president of Aviation Operations for the United States and the Caribbean. "This partnership is a testament to our dedication to providing high-quality ground services and our ongoing commitment to the growth of the aviation industry. We look forward to playing a key role in supporting Avianca's continued expansion and delivering excellent service for both the airline and its passengers."

To support the upcoming launch of Avianca's new route, EULEN has already begun training its staff at TPA. Currently, EULEN Aviation has 108 employees based at the airport, providing services for a variety of respected partners, including Delta Air Lines & Aeromexico (secure cabin cleaning), American Airlines (BSO service), Sun Country Airlines (full ground handling), Havana Air (full ground handling), and Invicta Charters (full ground handling).

The partnership underscores EULEN Aviation's commitment to delivering top-tier ground handling solutions and exceptional service for passengers.
